INSTRUCTIONS

48V, 105V DC POWER SUPPLY CARD
193X271ADG02

ELEMENTARY: 36B600728AA

These instructions do not purport to cover all details or variations in equipment nor to provide for every possible contingency to be met in connection with installation, operation or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser's purposes, the matter should be referred to General Electric Company.
